### About The Friends of Columbian Park Zoo Show

FOCPZ invites you to participate in their 5th Annual Juried Art Show, “Welcome To The Wild.” This show will benefit the Columbian Park Zoo of Lafayette, Indiana. “Friends” is a non-profit, fund-raising organization formed to support Zoo exhibits and expansion and to advocate issues concerned with animal preservation and conservation. We believe that promoting images of wildlife through art will help more people appreciate the fragility and beauty of nature. FOCZPZ is committed to bringing the new Zoo to the citizens and visitors to Lafayette and wants to “Welcome” them to the wild. We want to see your interpretation of what makes an animal special, unique and “welcoming.” Works should reflect these philosophies and include animals as a focal point or enhancement to landscapes, still life, portraits, etc.: A creative response to our theme as seen through the artist’s eyes.

### About The Young Artist’s Show

This show is held in conjunction with the juried show, and is an exhibition for elementary school students in Tippecanoe and adjacent counties in Indiana. Entries must be submitted by School Art Teachers, Private Art Teachers or Representatives and prizes will be awarded. A separate entry form is available by contacting the “Friends” Offices.

“Painting from nature is not copying the object; it is realizing one's sensations.”  
— Paul Cezanne
